出版时间:2005-12-1

装帧:Paperback

isbn:9780192806567

Almost everyone reads the newspaper, browses the Internet, listens to the radio or

watches TV. Journalism has an indelible effect on our worldview-from the fight against global terrorism to the American presidential elections, celebrity scandal to the latest environmental coups. Hargreaves uses his unique position within the media to examine how we get this information and the many practical, political and professional decisions that the journalist has to make, as part of the process of delivering that information to us. Is journalism the 'first draft of history' or a dumbing-down of our culture and a glorification of the trivial and intrusive? In this intriguing book Ian Hargreaves argues that the core principles of 'freedom of the press' and the necessity of exposing the truth are as vital today as they ever were.

Reflection on journalism

不再鸡肋，有洞见。但过时的问题还是比较严重，比如用Drudge收尾，而这是现行网络传播教材的第一章内容，更别提twi治国和sns新闻短讯了，现在如果更新的话应该也要加进传统媒体纷纷被收购的现状。（140字我真的写不下）

书评

The author has a sense of humour.In such tone,he clearly spot out the relation between journalism and democracy.Also,this little book provides us with a picture of journalism's current problems.
