Take along the Rough Guide Thai Phrasebook and make some new foreign friends

while on your trip. This thoroughly revised third edition has both A-Z English- Thai and A-Z Thai translations – perfect for quick word reference. Practice your pronunciation with the 16-pages of additional scenario material; available as downloadable audio files, the scenarios have been recorded by native Thai speakers and are compatible to either your computer or iPod. The guide includes a detailed grammar section and a helpful menu and drinks list reader – ideal when sampling the local cuisine. With this pocket-sized phrasebook in your backpack you are sure to have a good trip – têt-o hi sa-nòok ná!
