著者:David Beglar

出版者:Pearson Education ESL

出版时间:2002-1-3

装帧:Paperback

isbn:9780130948625

The Contemporary Topics Series prepares students for the challenges of college by presenting a wide range of listening and note-taking strategies and skills. Targeting corpus-based vocabulary drawn from the Academic Word List, Contemporary Topics ensures that students will be familiar with the most frequently used academic terms.
