出版时间:2000-11

装帧: Pap

isbn:9780838907955

This visionary book by respected children's library specialist and recipient of the inaugural ALA Research Grant, Virginia Walter, is a call to action for libraries serving children. Walter helps you to: -- Write a mission statement-- Create glorious kid spaces in the library-- Capitalize on emerging trends such as Internet service and homework assistance-- Adapt strategies from top children's library programs around the country-- Create tangible outcomes to secure appropriate budgets
