

Essential Portuguese Grammar

[Essential Portuguese Grammar_ 下载链接1](#)

著者:Prista, Alexander R.

出版者:Dover Pubns

出版时间:1967-6

装帧:Pap

isbn:9780486216508

All the grammar really needed for speaking and comprehending Portuguese. Ideal for self-study or class use, by beginning students or in refresher courses. Emphasis is on explanation rather than rote memory, with inclusion of much phrase material for examples. Can be used as a supplement to phrase study.
