This highly successful program takes reasonably fluent native speakers of Spanish and turns them into competent native readers and writers of Spanish. Using a flexible format that enables instructors to select the material that best corresponds to the needs of their particular class, Espanol escrito features 20 chapters, ranging from elementary to advanced, which offer something for students of all levels. Rich in language-development activities supported by carefully selected readings and specially crafted developmental exercises, it offers full developmental sequences in reading, orthography, writing, and grammar. Can be used over two semesters/three terms for all freshman/sophomore level courses in Spanish for Native Speakers.
