出版者:Cambridge Univ Pr

出版时间:2003-10

装帧:Pap

isbn:9780521532884

Infotech is a comprehensive course in the English of computing. The third edition has been thoroughly revised and updated to take into account recent changes in technology and multimedia. A link from the Student Book pages to web-based

activities provides students with further opportunities to develop their knowledge and language skills. The course does not require a specialist knowledge of computers and is ideal for anyone who needs to understand the English of computing for study or work.
