Reorganized and revised, the third edition of the MLA Style Manual offers complete, up-to-date guidance on writing scholarly texts, documenting research sources, submitting manuscripts to publishers, and dealing with legal issues surrounding publication. New in the third edition- a significant revision of MLA documentation style- simplified citation formats for electronic sources- detailed advice on the review process used by scholarly journals and presses- a fully updated chapter on copyright, fair use, contracts, and other legal issues- guidelines on preparing electronic files- discussion of the electronic submission of a dissertation- a foreword by Domna C. Stanton on the current state of scholarly publishing- a preface by David G. Nicholls on what is new in the third edition
