Chao Ban! is an interactive language program of introductory Vietnamese intended for use by non-native students, as well as students of Vietnamese heritage without a solid knowledge of the language. The entire program uses the communicative approach,

which focuses on teaching the language for the ultimate purpose of using it in everyday settings. Chao Ban! consists of a textbook and workbook manual that adhere to the following practical objectives: to make the whole program straightforward in presentation, user-friendly, practical, interesting to students, and most importantly culture-based.
