著者:Weiss, Bobbi J. G.

出版者:Heinemann

出版时间:2006-10

装帧:Pap

isbn:9780325009506

Many writing how-to books urge readers to "let your imagination run wild," "think about how you would feel if . . .," or "visualize a scene where . . ." Easier read than done. "Writing Is Acting" takes a different approach, with a hands on, acting-based strategy that walks you step-by-step through the creative process, revealing new ways of communicating with your inner self, unlocking your imagination, and ratcheting up the power of your prose. In "Writing Is Acting" Bobbi JG Weiss lets the vigor, passion, and raw guts of the acting profession supercharge your onpage performance. With her unique utility kit of Tools, Techniques and Tricks inspired by the actor's craft, she shows you how to: train your imagination to work when and how you want it to build rounded, realistic characters through intensive self-exploration analyze the elements of effective language down to the letter sharpen your own perceptions to create powerful prose truly immerse yourself in the process of onpage creation without fear If traditional writing advice has gotten you started but left you unsure of what to do next, "Writing Is Acting" will show you the way as only an actor can - by doing. Whether you're a novice seeking your first publication or a professional looking to energize your craft, you'll never look at writing the same way again.
