# The Indo-European Languages

The Indo-European Languages_下载链接1_

著者:Ramat, Anna Giacalone (EDT)/ Ramat, Paolo (EDT)

出版者:Routledge

出版时间:1998-3-22

装帧:Paperback

isbn:9780415412636

The Indo-European languages are a family of several hundred languages and dialects including most of the major languages of Europe as well as many in West, Central and Southern Asia. Indo-European is the largest family of languages in the world today, with its languages being spoken by approximately three billion native speakers. This comprehensive reference explores the way in which different cultures use language, as well as the major features of phonology, morphology, syntax and lexicon of the Indo-European languages family.
