著者:Mahoney, Anne 编

出版者:Focus Pub R Pullins & Co

出版时间:2006-11

装帧:Pap

isbn:9781585101894

A delightful collection of straightforward prose narratives, divided into 100-word sections. These stories are suitable for intermediate-level Greek students who have seen all or most of the grammar. Vocabulary and appendix of proper names. Because Morice chose characters and incidents from history and mythology, these stories also serve to introduce Ancient Greek culture.
