This brand new edition of the Oxford Portuguese Minidictionary offers up-to-date coverage of essential day-to-day vocabulary with over 40,000 words and phrases, and 60,000 translations. The new phrasefinder feature provides an instant safety net when you travel, providing super fast access to all the words and expressions you need for everyday situations--shopping, traveling, asking for directions, or finding a place to stay. A brand-new menu-reader section has been added so you know exactly what you're getting to eat, and the new conversion charts for distance, weights and measures, and clothing and shoe sizes make travelling abroad easier than ever before. Also included in this edition are useful comparative notes on how European Portuguese differs from the Brazilian Portuguese featured in the dictionary. All of these features are packed into a pocket-sized, durable format with a hard-wearing vinyl cover, making these dictionaries ideal for business people, holiday makers, and travelers, as well as the general user. The Oxford Minidictionary is your perfect mini-guide to understanding foreign languages.
