isbn:9780521755849

Cambridge Preparation for the TOEFL(r) Test, Fourth Edition, helps students master the language skills they need to succeed on the TOEFL(r) iBT and communicate effectively in an academic setting. Using an integrated skills approach that mirrors the

structure of the TOEFL(r) iBT, this fully revised text is ideal for classroom use and self-study. The book contains hundreds of skill-building exercises covering all of the question types in the exam and four practice tests. A supporting skills section is provided to improve grammar, vocabulary, pronunciation and study skills. The CD-ROM includes the tests from the book plus three additional practice tests in an electronic format that simulates the online TOEFL(r) iBT. The audio program, available on Audio CDs or Audio Cassettes, contains conversations, lectures, and all listening material for all listening exercises and test questions.
