This worktext presents situations along with key current medical vocabulary, practical reference information, and medical notes written from a cross-cultural perspective. Applied presentation features realistic dialogues, personalized questions, situational role-plays, and realia-based activities that correspond grammatically with those in "Basic Spanish." Practical, specialized vocabulary includes terms essential for communicating in medical settings, an in-text audio CD, and "Un paso mas" sections

that offer additional vocabulary practice and realia-based activities.Cultural focus highlights Hispanic customs and traditions relevant to the subject matter of the lesson, in "Notas culturales" sections.
