The Longman Guide to Writing Center Theory and Practice offers, in unparalleled breadth and depth, the major scholarship on writing centers. This up-to-date resource for students, instructors, and scholars anthologizes essays on all major areas of interest to writing center theorists and practitioners. Seven sections provide a comprehensive view of writing centers: history, progress, theorizing the writing center, defining the writing center's place, writing-across-the curriculum, the practice of tutoring, cultural issues, and technology.
