"Colloquial Dutch 2" is the next step in language learning for those who already have a basic knowledge of Dutch. The authentic dialogues, texts and variety of exercises in this course will help learners to consolidate their language skills and further their language competence. The key features include: a section devoted to idiomatic expressions in each unit; cultural points and information on various dialects; and vocabulary lists relative to the topics of each unit. The accompanying audio material is available on CD/MP3 format, or comes included in the great value "Colloquials Pack".
