Insight into IELTS prepares candidates for the International English Language Testing System, known as IELTS. This pack contains the Student's Book, Self study workbook with answers, and two audio CDs. This pack contains Insight into IELTS, Insight into IELTS Extra Workbook and the two audio CDs to accompany them. Insight into IELTS

prepares candidates for the International English Language Testing System, known as IELTS. The book is arranged by paper, so that teachers, or students working alone, can choose exactly which part of the exam they want to focus on. IELTS Extra Workbook with answers provides further practice and tips on how to approach each part of the test. Key Features * Provides an overview and advice on each IELTS paper to prepare candidates for the different parts of the exam. * Introduces students to the types of communication they are likely to meet in an English-speaking environment. * Contains thirteen pages of supplementary activities for extra practice and a full-length practice test. * Includes an answer key which means the course can be used at home as well as in the classroom. * IELTS Extra Workbook additionally provides a Vocabulary Builder feature, Test Tips and practice in timed test tasks.
