New Vistas, by H. Douglas Brown, is a completely revised five-level integrated series appropriate for high school or adult education students who are at a true beginning

through high-intermediate level. The series empowers students to meet the challenges of each unit, and carefully recycles and reinforces language so students can produce language while feeling confident with their ability. New Vistas engages students in a variety of creative exercises, games, and activities. And the books go beyond the classroom, with "Strategies for Success" sections.
