

Albanian-English, English-Albanian Dictionary

[Albanian-English, English-Albanian Dictionary_ 下载链接1](#)

著者:Stefanllari, Ilo

出版者:Hippocrene Books

出版时间:1996-1

装帧:Pap

isbn:9780781804196

This dictionary follows the format of the others in 'Beginner's' series, with a cultural introduction to the language and region, a pronunciation guide, and 15 lessons that teach essential grammar and basic conversational skills to the first-time learner. Duologues and review exercises allow the student to practice communication, study grammatical structures, and develop vocabulary.
