Drawing on her years of experience and the expertise of hundreds of romance authors, editors, and agents, Kathryn Falk has once again crafted a must-have "how to" book for anyone interested in making a serious effort at writing a romance and getting it published in today's multifaceted markets. Volume One introduces would-be writers to the "art" of writing romance by covering craft and technique, and fundamentals such as basic research, before giving a thorough preview of the new markets in the romance genre: Multi-Cultural, Inspiration, Alternative Realities, and Romantic suspense.
