著者:Hacker, Diana/ Van Goor, Wanda

出版者:Bedford/st Martins

出版时间:1998-4

装帧:Pap

isbn:9780312154578

In a workbook format, "Bedford Basics" incorporates a streamlined version of the text

from the highly successful "Bedford Handbook" with lower-level exercises. Because "Bedford Basics" follows the handbook's organization, it can easily be used in conjunction with the handbook in a composition sequence or it can stand alone in any developmental writing class. For the new edition, the exercises have been carefully revised after much classroom testing. In addition, several new features have been added to make this book more useful for culturally diverse students, students working on a computer, and students using the book on their own.
