This is a fun-to-read guide to writing well. Learn how to write graceful, concise sentences, how to make your writing speak to readers, and how to add flair to your writing. Whether you write professionally or just for pleasure, you will learn tips that will enhance your writing for the rest of your life. The book contains 50 of LaRocque's best columns from 'Quill' magazine, the publication of the Society of Professional Journalists. It covers writing issues from how to build smooth sentences to how to incorporate quotes into your writing.
