出版时间:2001-10

装帧:Pap

isbn:9780806980126

Logic, math, and fun come all wrapped up in one tricky puzzle package. Each little story gives you just enough information to determine what's bigger, who weighs more, how much gets sold, and lots of other confounding braintwisters. To make it just a little easier, every puzzle has a chart to help you organize and work out the all facts in your possession.
