Created by Joe Franklin--one of show business's enduring personalities--this book is guaranteed to provide hours of pure enjoyment for anyone who loves to be quizzed about movies, television, radio, or music. Joe has created a trivia game--in book form--that provides over 1,000 delightful entertainment-oriented questions. Drawing from his own unique knowledge of the entertainment field, Joe goes well beyond offering questions on topics ranging from theme songs to superheroes, from Woody Allen to Elvis Presley. Joe also includes lots of interesting information in the answers. But there's more. Most other books of this type irritatingly reveal the answers directly below the questions, or group them together with all the other answers. This book is designed in a way that allows the reader to see only one answer at the appropriate time. This way, the reader can actually play along. Throughout the book, fascinating insets relate wonderful show business anecdotes. While other trivia books may get their questions and answers from previously published references, Joe Franklin has the unique distinction of drawing information from his long-time involvement in the business that he so dearly loves--and that so dearly loves him.
