A compendium of advice for the improving player from one of North America's best-known bridge teachers and writers. Each tip is bite-sized - 3-4 pages in length - so the reader can dip in briefly and still take away an important idea. As well as the usual sections on bidding, play and defense, the author includes much advice on the

psychological aspects of the game, including how to be a good partner. Frank Stewart is one of the most distinguished bridge writers and journalists in North America, with over twenty books to his credit. A major contributor to the Official Encyclopedia of Bridge and a regular writer for the ACBL Bulletin, he is perhaps best-known today as the author of the nationally-syndicated 'Daily Bridge Club' daily newspaper column. He lives in Fayette, Alabama.
