This book teaches how to play the popular poker variation known as Texas Hold'em. Readers also get a comprehensive analysis of online poker, including how to use their computer to play poker on the Internet, and concise profiles and addresses of 15 online card-rooms. Beginners will learn the rules of Texas Hold'em, basic strategy, and how to play in a card-room. More advanced players will benefit from statistical charts, vignettes from actual poker games, and detailed information on how the social and psychological aspects of the game determine strategy. Locations and contact information for 220 card-rooms in the U.S. and Canada are included.
