isbn:9780451212559

This new updated third edition is a rich storehouse of indispensable information that puts the correct answer right at a puzzler's fingertips.

- € Twice as many entries
- € The most comprehensive and up-to-date definitions available
- € Revised for the way clues are written today
- € More readable and user friendly than other mammoth tomes with tiny print
- € Unique categories section makes looking up clues even easier, including The Bible, Chemical Elements, Foreign Words, Geography, Mythology, Academy Awards, Sports, and Prefixes and Suffixes
