出版者:Trafalgar Square

出版时间:

装帧:Pap

isbn:9781843440062

Winning at poker is not just analysis, clever tactics, nor even inspired bluff--although "Total Poker" examines all these in depth. Ultimately, luck works out the same for everyone--there really is no such thing as "good cards" or "bad cards." As the author maintains, winning is a "psychological decision" made by each player. Packed with stories about the application of poker to life in general, "Total Poker" looks at the game's history, culture, techniques, strategies, rules, and probabilities. David Spanier is a former journalist for "The Times" and author of "Easy Money, Little Book of Poker, The Hand I Played," and "Welcome to the Pleasuredome."
