著者:Webb, Simon

出版者:Sterling Pub Co Inc

出版时间:2006-3

装帧:Pap

isbn:9780713489880

One of the most influential books on chess ever published - now in its third edition. The Tiger is a vicious beast. He doesn't care about the aesthetic side of chess. He doesn't even care about making the 'best' moves. All he cares about is winning. Do you want to win more games? Then become a Tiger. Chess for Tigers tells you how to make the most of your playing strength, how to play upon your opponent's weaknesses, how to steer the game into a position which suits you and not your opponent, how to get results against strong opposition and how to avoid silly mistakes. This is a cult classic that is as relevant now to a new generation of chess players as the first edition was. Regularly voted in the top 10 of best chess books of all time, this book should be read by all chess players, especially beginners who want to win at all costs.
