Sudoku continues to take the world by storm! This book of more than 200 all-new sudoku puzzles will satisfy the legions of fans who have made sudoku the latest puzzle craze. Each puzzle contains a grid of nine rows by nine, split into nine boxes of nine squares each. The aim is to fill in the grid so that the digits 1 to 9 appear once in every row, every column, and every box. While the rules are simple, the solution can be quite complex. These puzzles offer hours of stimulating entertainment for sudoku fiends of all levels, from beginner to advanced, as well as an answer key in the back of the book.
