Since John Vorhaus's first Killer Poker book hit a hungry market, No-Limit Texas Hold'em has flourished to completely dominate over all other forms of poker. Its popularity has resulted in the unmatched success of shows such as World Poker Tour, the World Series of Poker, Tilt, Celebrity Poker Showdown, Showdown at the Sands, and Celebrity Poker Showdown. These programs attract millions of viewers because roughly seventy million Americans play poker, and hundreds of millions more play the game worldwide. In fact, 99% of poker broadcasts are devoted to No-Limit Texas Hold'em--it's safe to say that poker fans are ready for a Killer Poker title that's dedicated to the most popular of all poker games.
