Each player is a Minotaur Lord vying to control the heart of an empire, using minions, strongholds, and the favor of the gods to achieve military, economic, and religious victory. Minotaur Lords is the second release in Reiner Knizia's and FFG's series of

"Lords" games, following up the now out-of-stock hit Scarab Lords. All games in this series comprise a complete stand-alone game, but use the same rules system, and contain new cards and factions, making for a unique game experience in every installment. Furthermore, it is possible for players to field factions from any of the "Lords" games against each other.
