Sterling's successful "Scratch & Solve[registered]" series has proven enormously popular, with "Hangman" selling over 400,000 copies to date. Now, fans of Trivial Pursuit[registered] get their chance to improve their skills anywhere, anytime, with any

number of people. It's simple: read the question, choose an answer, scratch off the circle next to that response, and see if you're right. And if not? Don't worry, because unlike other puzzle and game books, the fun's not over yet. Simply guess again and rub off another circle. The faster you pick correctly, the faster you rack up points. Best of all, you can either play alone or test yourself against someone else who also has the book!
