The Dark Age is over. The royal heirs, who caused the conflict and the destruction of Blue Moon City, have fled, and their corrupt advisors have been banished to faraway lands. Blue Moon City lies in ruin, but the people have vowed to restore the city to its former magnificence. Blue Moon City the board game picks up where the two-player card game ended as players quest to reconstruct the destroyed city. Vie to impress the dragons, collect crystals and ultimately gain the leadership of Blue Moon City.
