The graveyard is cold and still. Bright moonlight deepens the shadows. The silence is disturbed by a throaty moan. Breaking through the soft, recently packed earth, a claw extends, sharp and grasping. A sickly sweet stench rises with the corpse. Desperate

hunger is etched on its cadaverous face - a hunger for your blood. Now you can join the Slayer's world. Inside these lustrous covers, you will find: an introduction to roleplaying and the Buffyverse; a role-playing guide to all seven seasons of Buffy the Vampire Slayer; detailed character creation (including pre-constructed Heroes and White Hats for your quick-play pleasure); role-playing specifics for the entire Original Cast; from Buffy to Dawn, including their wild and wacky changes; the Buffy Unisystem; a guide to Buffyspeak to add sparkle to your dialogue; and much, much more.
