LORE OF THINGS FROM BEYOND ? Gathered from every professionally-published Call of Cthulhu book and scenario, Malleus Monstrorum is the most comprehensive collection of gods and monsters ever assembled for Call of Cthulhu. Entries for the

monsters have been tweaked, edited, updated, and corrected. A few have been significantly expanded from previous descriptions.

评论

COC入门最适，因为容易培养兴趣，但进阶的话最好还是脱离这本书里的物种形象。此书同时亦是Lovecraft读者理解现代COC文化的一条好途径。
