isbn:9781592230228

Stephanie Spadaccini's puzzles have appeared in The New York Times, People, Modern Maturity, and many other publications. Fully illustrated, this fun book of puzzles she edited is overflowing with nuggets from selected volumes of Uncle John's

Bathroom Reader. Ranked by difficulty (one flush = easy, two flushes = hard), these puzzles encompass every style, from crosswords and seek-a-words to cryptograms, word games, and scramblers - all calculated to help puzzlers with time on their hands wipe away the hours.
