Large word type.

Generously sized grids.

Easily seen numbers in the boxes.

125 Puzzles in every book.

No wonder these volumes have the seal of approval from the NAVH (National Association of Visually Handicapped).

They're challenging for the brain, but not hard on the eyes, so everyone can enjoy some puzzle fun. Crosswords can keep the mind sharp, but if your sight has weakened through the years, or if you're vision-impaired, you might have to strain to read both the words of the clues and the numbers in the boxes. That can be frustrating--and cause even the most determined puzzlers to put down the crossword. Not anymore, because every one of these large-print puzzles--125 crosswords in each collection--takes two pages, so they're easy to see and to fill out. And these cunning puzzles will really please, covering a variety of subjects and offering a real test of your word smarts.
