For more than 100 years, the world's leading chess players and teachers have told their

students to study the endgame. Now, for the first time, a revolutionary, richly instructive endgame book has been designed for players of all levels. Silman's Complete Endgame Course, by famed writer and player Jeremy Silman, is the one and only endgame book you'll need as you move up the ladder from beginner to strong tournament player and finally to master.

Designed to "speak" to a player in a very personal way, Silman's book teaches the student everything he or she needs to know at his or her current rating level, and builds on that knowledge for each subsequent phase of the player's development. Starting at the beginner's level, all basic mates are clearly and painstakingly explained. After that, the critical building blocks that form the endgame foundation for all tournament hopefuls and experienced tournament competitors are explored in detail. Finally, advanced endgame secrets based on concepts rather than memorization are presented in a way that makes them easy to master.

The basic keys to a well-rounded endgame education--Opposition, the Lucena and Philidor Positions, Cat and Mouse, Trebuchet, Fox in the Chicken Coup, Triangulation, Building a Box, Square of a Pawn, Outflanking, the Principle of Two Weaknesses--are vital. But equally important is creating a love of the endgame, which is addressed at the end of the book with a look at chess tactics, minor piece domination, and a discussion of the five greatest endgame players of all time--all things that every fan of chess at every level can enjoy.

If you have found the endgame to be a mystery, if you have found that your confidence plummets once you reach an endgame, if you have searched for an instructive endgame book that will turn your weakest link--your endgame--into your personal field of power, your search is over. Silman's Complete Endgame Course is the key to a world of essential ideas, startling beauty, and stunning creativity.

作者介绍:

Biography

Jeremy Silman is an International Master and a world-class teacher, writer, and player who has won the American Open, the National Open, and the U.S. Open. Considered by many to be the game's preeminent instructive writer, he is the author of over thirty-six popular books, including How to Reassess Your Chess (universally accepted as a modern classic), The Amateur's Mind, The Complete Book of Chess Strategy, and The Reassess Your Chess Workbook. Fans of the game instruction, book reviews, theoretical articles, and details of his work in the creation of the chess scene in the movie Harry Potter and the Sorcerer's Stone.
