"In Games for Learning," Peggy Kaye, renowned teacher and author, gives parents more than seventy original, entertaining, and slyly educational ways to help their children master crucial learning skills - "in just ten minutes a day." The games cover all the important areas of the school curriculum from kindergarten to third grade: reading, writing, spelling, mathematics, logical thinking, even science, history, and geography. There's fun here for both parent and child alike--plus skills that will lead to success in school and enhance any youngster's self-esteem. "Games for Learning" also includes a

"Note to Teachers" which shows how to make these games part of school life.
