It's the biggest collection of tough, small mazes you'll ever find in a compact, take-it-along package. These magnificently designed little labyrinths will send you searching through a web of elaborately linked circles, into the depths of brilliant and

complex designs, and across intricately patterned squares and rectangles. Some images look like people and objects--but for every one there's a fun and stimulating path to follow. You may almost forget where you're sitting as you think them through! Take the challenge and find your way through this:
