A New Call of Cthulhu Roleplaying Game from Chaosium Inc.Cthulhu Dark Ages950 A.D.

-- The world is torn apart: empires and kingdoms have endured two centuries of invasions, and now warlords fight over the remains like wild dogs. The clergy is weak and morally depraved, cities are depopulated, trade is stagnant and violence reigns everywhere. History is coming into the Sixth Age of humankind, the ultimate age before the end of the world. The Byzantine Theodoras Philetas translated the Al Azif into Greek, and renames it the Necronomicon. It will take one century before that blasphemous tome is finally condemned, and most copies destroyed. CTHULHU DARK AGES continues with Lovecraft's sinister tradition of men and women struggling against the dark forces of the Cthulhu Mythos, but in a time nearly one thousand years before Lovecraft's birth. CTHULHU DARK AGES is a complete roleplaying game using Chaosium's classic Basic Roleplaying System. All you need to play are some dice and some friends.
