All the basic--and a few more intricate--checkmate moves players need to finish off opponents and win in one easy-to-use book from chess expert Bill Robertie. An excellent guide for novice players looking to improve their game, Easy Endgame Strategies outlines the fundamental checkmating principles and combinations necessary in chess victories. Using the King, Queen, and Rook, clearing the way for advancing pawns, making the King a weapon, laying traps, and many more techniques are described in this thorough, accessible volume that is sure to turn beginners into aggressive, successful players.
