King Robert Baratheon is dead, and the seven kingdoms brace for war. House Lannister, whose daughter Cersei was Robert's queen, claims the throne for her young son Joffrey. From the Dragonstone Isle, Stannis Baratheon knows that Robert was not the true father of Joffrey, and rightfully demands the throne for himself. On the Iron Isles, House Greyjoy is about to embark on a second rebellion, but this time with a much grander goal. In the north, House Stark gathers its strength to defend what is right, and in the south the wealthy House Tyrell harbors an old ambition to sit on the Iron Throne.

As armies gather and ravens fly, a clash of kings is inevitable.

Based on the best-selling novel series A Song of Ice and Fire by George R.R. Martin, the A Game of Thrones board game lets players take control of one of the great Houses of Westeros and embark on an epic struggle to claim the Iron Throne. Immerse yourself in a game of clever planning, careful allocation of power, diplomacy, and the exciting flavor of A Song of Ice and Fire.

"When you play the game of thrones, you win or you die. There is no middle ground." - Cersei Lannister
