Use it or lose it! It's been scientifically proven: crosswords and other mind-stimulating puzzles keep the brain nimble. Don't let these crosswords trick you-take your time and think about the answer before jotting them down. It might not be as easy as it first seems: these are devious puzzles. But they're also fun, and offer hours of entertainment. The crosswords cover such topics as "And Justice for All," "Diamond

Talk," "Taking the Plunge," Parade Rest" and "Remembering Robert."
