In this, the second edition of his bestselling book, Vishy Anand describes his best games and brings readers up-to-date on his career. The first edition of this book won the 1998 British Chess Federation Book of the Year Award and this edition will continue his tradition of providing readers with excellent value for their time, effort, and book-buying dollars. Vishy Anand annotates his finest and most interesting games, providing crystal-clear explanations of grandmaster tactics and strategies from which players of all abilities can learn.
