isbn:9781592286577

Darts is an increasingly popular game. Incredibly, there have been virtually no reliable, concise guides to darts that would introduce new players to its rules, conventions, equipment, and techniques--until now. The American Darts Organization Book of Darts includes succinct, authoritative information on the rules of darts, how to play (and win) a dozen of the most popular games, notes on equipment, basic techniques and strategies, and much more. Also included are sample games, practice routines, and official tournament rules.
