Gain the advantage over your opponent with easy-to-remember strategies from one of the world's top chess players! Strategy - it's the ultimate secret weapon for championship players around the world. Drawing on his considerable experience in tournament play, International Grandmaster Yasser Seirawan shows you how to apply

flexible strategic principles to every part of your game. Using Seirawan's simple and effective planning and analysis techniques, you'll enter each game with confidence and energy, ready to play forcefully and intelligently - the way you need to play so you can win every time! In this book, learn to: knock your opponent off balance with bold opening moves; formulate an overall game strategy before the middle game; interpret the motivation behind your opponent's every move; and position yourself for a winning endgame. Diagrams throughout the book illustrate game positions, and you'll meet history's greatest chess strategies - learning from them move by move! Whether for reference during practice games or simply for pleasure reading, "Winning Chess Strategies" is an information packed resource you'll turn to again and again.
