One of the Living is a supplement for the All Flesh Must Be Eaten RPG. In it, you will find: New skills, qualities and drawbacks for those who survive, including some fresh metaphysics ideas and archetypes. Rules for scrounging and jerry-rigging in a post-apocalyptic world. A slew of new implements of survival. Suggestions for

characters on how to use all the great new gear and abilities detailed. Guidelines for Zombie Masters for long-term Deadworld campaigning, including the psychological and technological effects of society's collapse . . . oh, and a bunch of cool new zombie Aspects. Details on a tiny community of survivors holed up in an isolated area. Eight new Deadworlds set many years after The Rise.
